

Job Posting Notice

Position	Laborer	Company	Heidelberg Materials
Region	Northwest Region	Location	All Plants

Heidelberg Materials is seeking responsible, safe, and dependable **Laborers** to join our local team. As a Laborer you will support plant needs by ensuring a safe and productive work environment. In this position, you will have the opportunity to use different skills every day as you learn the concrete industry and fill in for vacancies in various areas of our plant.

Duties:

- Operate mobile equipment on plant property (loader, forklift, skid steer, man-lift)
- Maintain cleanliness of plant work areas
- Assist with plant tasks including lubrication, maintenance, and repairs.
- Assist in production of concrete i.e., value added products and temperature control systems.
- Assist in plant water management systems.
- Transport materials to and from storage and shop areas
- Be a part of the Plant Chipping Team.
- Ensure compliance with all health, safety, and environmental regulations as well as company policies and procedures: assist with physical inspections of plant property/departments.

Qualifications:

- Good physical condition, able to lift/push/pull/carry 50lbs short distances.
- Able to work inside and outside in year-round weather conditions.
- Desire to work cooperatively as part of a productive team.
- Ability to work safely and independently without constant supervision.
- Excellent communication and interpersonal skills.
- Capable of learning through on-the-job training.
- Forklift, Front End Loader, Manlift and Bobcat certification an asset, but not required.

Hourly Rate

\$39.10
