

Job Posting Notice

Position	Red Seal Millwright	Company	Heidelberg Materials
Region	Northwest Region	Location	All Plants

Heidelberg Materials is seeking a responsible, safe, and dependable **Millwright** to join our local team. As a Millwright you will be responsible for preventative maintenance and repair work on all site mechanical equipment to keep the plant running smoothly and efficiently.

Heidelberg Materials provides the materials to build our future. Our future is sustainable. Our future is digital. And it goes beyond cement, aggregates, and ready-mixed concrete. Heidelberg Materials North America operates more than 450 locations with approximately 9,000 employees in the U.S. and Canada.

What You'll Get To Do

- Maintain, repair, and replace mechanical systems and associated equipment.
- Perform field inspections of equipment for safe and proper operation.
- Detect and troubleshoot irregularities, respond to malfunctions.
- Anticipate problems and identify opportunities for improvement.
- Operate machining tools to fabricate parts.
- Perform preventative maintenance work on all site mechanical equipment.
- Consult manufacturers manuals to determine maintenance procedures.
- Ensure compliance with all safety and environmental regulations, and with Company Policies and procedures.

What We Are Looking For

- Experience working in a heavy industrial / manufacturing environment.
- Valid interprovincial or Red Seal Millwright ticket.
- Thorough knowledge and understanding of mechanical, hydraulic, and pneumatic systems.
- Ability to read and interpret mechanical schematics, drawings, and blueprints.
- Ability to solve practical problems and perform all technical aspects of the job using the appropriate tools or systems.
- Proficient computer skills.
- Requires the ability to lift, carry, push, and pull heavy loads, sometimes 75+ lbs.
- Able to work inside and outside in year-round weather conditions.
- Requires lifting, kneeling, bending, twisting, pushing, and pulling, working at elevated heights, at times in tight and awkward positions.
- If after reviewing the above you feel that you have the necessary skills and qualifications and are interested in this position, please send a written or email application complete with work history to:

Hourly Rate

\$53.33

Nolan Thomasson, Maintenance Superintendent
