

Job Posting Notice

Position	Ready Mix Driver	Company	Heidelberg Materials
Region	Northwest Region	Location	

Summary

- Heidelberg Materials is seeking responsible, safe, and dependable Ready-Mix Drivers to join our local team. As a Ready-Mix Driver you will deliver concrete to job sites following safety and operational guidelines; check concrete for quality and load volume according to order details; and maintain courteous customer relations. Heidelberg Materials provides the materials to build our future. Our future is sustainable. Our future is digital. And it goes beyond cement, aggregates, and ready-mixed concrete. Heidelberg Materials North America operates more than 450 locations with approximately 9,000 employees in the U.S. and Canada.

What you'll get to do:

- Deliver concrete to the customer in a timely and customer focused manner.
- Work with customers on site to achieve maximum customer service.
- Visually inspect concrete mix for correct slump, and constituents.
- Work closely with dispatch to ensure quickest and safest route to jobs.
- Maintain superior public relations in the performance of duties.
- Maintain vehicle in a clean, organized, and safe fashion.
- Observe all safety precautions and rules specified by site, city, provincial, federal and Company regulations.
- Work around plant and operate equipment as needed.

Experience & Skills:

- Class 1 or 3 license with air endorsement.
- Experience safely driving heavy trucks for 3 or more years.
- Good driving record (Driver's abstract required).
- Demonstrated communication and problem-solving skills while working with customers.
- Solid knowledge of local and provincial transportation regulations and trucking routes.
- Basic mechanical knowledge or skill for minor preventative maintenance and pre-shift inspections.
- Be in good physical condition, able to lift and assemble concrete chutes weighing 50 lbs. sit and stand for extended periods, kneel, climb ladders, and walk on varied terrain.
- Must be available to work six days a week (Monday – Saturday) and occasionally on Sunday.
- Must be able to work overtime as business and weather conditions warrant.

Rate

\$43.85

If after reviewing the above you feel that you have the necessary skills and qualifications and are interested in this position, please send a written or email application complete with work history and drivers abstract to:

Edward Jordan, Field Superintendent
Heidelberg Materials
E-mail: Edward.jordan@Heidelbergmaterials.com

All applications must be received no later than August 30th, 2024.
